Please take note that Standard Mechanical of New England, Inc. is an affiliated organization of Plumb Perfect Construction Services Company, Inc. I have performed most of the commercial and public sector construction work under the name of Standard Mechanical of New England, Inc. The trade name Plumb Perfect Construction Services is reserved for, and typically restricted to, work performed for my residential clients. Where SMNE is **NOT** listed as the prime contractor, it acted as a plumbing and/or HVAC sub-contractor for the listed GC.
